

# FRV Travel – Saba Villas

Edition 11.2 – August - September 2014

## Saba Exclusivity Guaranteed

In the heart of rural Canggu, where rice paddies meet the surf, lies Saba, a collection of four two-bedroom villas and a one bedroom villa, each named after one of the heroic Pandawa brothers from the epic Sanskrit poem, the Mahabharata. These spacious villas can be connected via sliding garden wall panels - ideal for families and groups of friends - or made completely private. Open-sided living and dining pavilions, well-equipped kitchens, swimming pools and lush tropical gardens are standard. Guests are looked after by a team of attentive and caring staff and benefit from complimentary membership of the exclusive Canggu Club.
